RCM: Seth M. Hello family, I attended the CAR/CAT workshop 3/11/18 and we covered the 25 motions that we are to vote on. I sent a mass text out to all GSR that I had in my phone with all the information for the 25 motions and letting them know I'm here to answer any questions I can. The next regional meeting is April 14 and that is when I need to take the votes for all the motions. I am requesting \$100 for a donation for the region. All GSR are welcome to call me with their votes anytime before 4-14-18. I apologies for the short notice on the 25 votes, I was not aware that they where do so soon and I got into this a little late. Next time will not be like this. Thanks for letting me be of service and helping me to stay clean! Here is the link to the CAR/CAT report and motions:

RCM Alternate: vacant

5. Elections: The following positions are still vacant:

- Vice Secretary
- Convention

If you know of anyone who is interested in being of service please encourage them to come to the area meeting for more information.

6. Old Business: The motion involving changing policy to the secretary being the only person to obtain copies has been tabled to find better wording. For example, what the copies are for. There was discussion about the \$100.00 limit and going over that number has to be approved by the manager. As we are in good standing with Box King, he said it should never be an issue for us.

Seth M. will obtain the information in regards to the insurance policy next month at the Regional meeting.

The motions for the region were voted on and results are as follows:

1. William S. for Springs Retreat Chair: motion passed
2. Adding STACSNA to convention rotation: motion abstained
3. Adding STACSNA to roll and call: motion passed
